

notice sent on 4/23

TO: Registered Proposers/RFP #98-069

This notice is to inform you that King County, on behalf of the Central Puget Sound Regional Fare Coordination Project, has issued additional information related to the smart card fare collection system procurement. This additional information is summarized below:

Please see: http://transit.metrokc.gov/programs_info/smartcard/sc_notices.html

You will find:

1. Responses to additional questions submitted by proposers. Please click on **"Questions & Responses (revised 4/23/99)"**. The new questions commence with #90. Also note, relative to question #96, we have added web site links to the sites for the ITS National Architecture and FTA Documents.
2. A revised schedule by which the Association will respond to proposer questions and amend the RFP as required. Please click on **"Response Schedule (revised 4/23/99)"**.

Please see:

http://transit.metrokc.gov/programs_info/smartcard/sc_radiofreq.html

You will find additional detail on the radio frequency channel ranges used by the Washington State Ferry System.

If you do not have access to the Project web site, please contact **Steve Cole, King County Procurement Supervisor** at 206-689-5246 (voice), or 206-684-1470 (fax). Per King County procurement rules, all communication regarding the Project must be directed to Steve Cole. **Do not directly contact Project or agency staff.**

Thank you.
